

WRITE INSPIRED

BEYOND THE BLANK PAGE

EMBEDDED CPD

Write Inspired always offers in-school sessions so that teachers can see it in action. This CPD takes it a little further as it incorporates Inset, class demonstrations and teacher observations with feedback to support staff in becoming truly confident in a more creative approach to the teaching of writing.

This combination of Inset, observations and coaching give the most in-depth training on offer. I have designed it to be flexible so that schools can get exactly what they need and can be spread across a number of weeks.

It consists of

- One full day Inset
- 1 or 2 days class observations where I will run Write Inspired sessions for teachers to observe in their own classrooms.
- 1 or 2 day teacher observations where I will watch teachers run a session of their own using techniques that they have seen. I will then feed back to the teachers and answer any questions they may have.
- Discounts on all Write Inspired resources

These 3, 4 or 5 days can be run over a term or even a whole year. Whatever suits you.
